A Dictionary of the Sacred Language of all Scriptures and Myths.

By G. A. GASKELL.

Royal 8vo, 844 pages.

GEORGE ALLEN & UNWIN, LTD.

PRICE £2 2s. NET.

Explanatory of the universal systematic symbolism contained in the Scriptures of Palestine, Babylonia, Persia, Greece, India, Egypt, Scandinavia, Finland, China, Japan, Mexico, New Zealand, Polynesia, a knowledge of which discloses undermeanings of deep spiritual significance, and shows that all religions, however varied, have a common origin.

"We believe firmly that there is the influence of a vital stream of soul-truth behind and within the great scriptural narratives and world-myths. Mr. Gaskell has made a courageous attempt to work out this primary thesis not only in the highways but also in the by-ways."—G. R. S. MEAD in *The Quest*.

"Mr. Gaskell, in his Introduction, steers a safe and sound course between the Scylla of the Frazer-Tylor school of unilluminated 'myth-grubbing' and the Charybdis of the somewhat unintelligent 'firm believers.' We are glad to welcome this volume as a genuine attempt to supply a great want. Never before has this subject been dealt with so encyclopædically."—*The Co-Mason*.

THE MASONIC INITIATION.

A Sequel to "The Meaning of Masonry." By W. L. WILMSHURST,
P.M. Demy 8vo, cloth gilt. Uniform with "The Meaning
of Masonry." 10s. 6d. net.

CONTENTS:—Introduction. SECTION I. FROM DARKNESS TO LIGHT.—The
Need for Education in Masonic Science—Difference between Ceremonial
and Real Initiation—The Ancient Mysteries and original qualifications for
them—The Science a Means of advancing Human Evolution—Can Masonry
be made to do this?—The Ideal Lodge.

SECTION II. LIGHT ON THE WAY.—Self-knowledge—The "G"—The Ladder—
—The Superstructure—The Cabletow—The Apron—The Wind—Seeking
a Master—Wages—The Law of the Mount—From Labour to Refreshment
—The Grand Lodge Above.

SECTION III. LIGHT IN ITS FULLNESS.—Observations and Examples—Apoca-
lypsis: An Initiation Experience.

SECTION IV. THE FUTURE OF THE ORDER.

Mr. Wilmshurst's former book "The Meaning of Masonry" has been thrice reprinted. It has been adopted by many Masonic Lodges as a text-book for study and instruction, and applications for its translation into various foreign languages have been received. It has evidently met a widespread need at a time when the Masonic Fraternity is rapidly increasing in numbers and is manifesting great desire for fuller knowledge concerning its own system.

In view of the wide appreciation of the book, its author feels that, whilst still maintaining due reserve and secrecy in regard to essentials, it is possible for him now to speak more fully upon matters barely touched upon or that were left undeveloped in it.

THE WAY OF ATTAINMENT

By SYDNEY T. KLEIN. Author of "Science and the Infinite."
Crown 8vo, cloth. 5s. net.

CONTENTS:—Apologia—Preface—The Invisible is the Real, the Visible is only
its Shadow-form—The Power of Prayer—Spiritual Regeneration—Dogma
of the Virgin Birth—Finding the Kingdom of Heaven "Within"—Realizing
One-ness with God—Nature of the Ascent—Reaching the Summit.

Mr. Sydney Klein's new work may be regarded as complementary to his well-known work entitled "Science and the Infinite," and will add to his reputation as a lucid thinker who is able to present the deeper philosophical and spiritual aspects of life in simple and incisive language. His familiarity with the developments of modern science, and his sympathetic insight with regard to intellectual and spiritual problems, enable him to illumine the most obscure regions of thought and feeling. The reader is led step by step, by numerous vivid illustrations from the physical universe to visualize the wonders which may be seen by every earnest seeker who has entered the path leading to the summit of spiritual realization.

TWO NEW ASTROLOGICAL BOOKS.

THE SOLAR EPOCH OR HOROSCOPE OF DESTINY

By **SEPHARIAL**, Author of "The Manual of Astrology," "The Dictionary of Astrology," "The Silver Key," etc.

This new work by Sepharial reveals new and hitherto unexplored territory in the domain of Astrological Science. It is designed to show that the composite nature of man cannot be wholly estimated from consideration of the horoscope of birth alone, but that just as man consists of Body, Soul and Spirit, so there are terrestrial, lunar and solar epochs uniting in their action to the production of the incident of birth. Many books exist for the study of the horoscope of birth, and more than one for that of the lunar epoch, but this is the first and only book dealing with the dominant factor of the Solar Epoch. Printed in clear type on good paper, bound in Cloth, 3s. 6d. net. Post free, 3s. 9d.

ASTROLOGY IN RELATION TO MIND AND CHARACTER

By a **Mental Specialist.**

The matter in this book will be found of exceptional interest to all students of Astrology. The author has made a close study of the mind in relation to Astrology. The heredity side of the question is dealt with, and it is shown where these radical tendencies come from and the presumptive cause of mental derangement in each case is added. The cases cited in illustration are supported by maps. Cr. 8vo, bound in Cloth, 2s. net. Post free, 2s. 3d.

HEALING METHODS OLD and NEW

By ELIZA ADELAIDE GARDNER, B.A.

New Edition, Revised and Considerably Enlarged.

Since the first edition was published of what has proved a popular little exposition on a vitally important subject, so much advance has been made in the study of the Science of Natural Healing that the author is prompted to make the following observation in her introductory remarks:—"It is encouraging to realize that in three years progress has been made that demands revision, and that the public is now prepared to take an even more frank statement of the case as regards the inner causes of man's physical disease."

FROM AGNOSTICISM TO BELIEF. An Account of Further Evidence for Survival. By J. Arthur Hill, Author of "Psychical Investigations," etc., etc. London: Methuen & Co., Ltd., 36 Essex Street, W.C. Price 7s. 6d. net.

"If we can believe that even now we live in a spiritual world, that evolution is a principle running through the whole creation and is not an affair of matter and physical life only, that human beings rise at death into a higher plane and continue to learn and progress—if we can believe that, it is clear that we are justified in believing that the Universe is friendly. A materialistic philosophy has no place for survival of bodily death, but science itself is now travelling beyond the material order, and is rendering materialism obsolete."

Thus Mr. Arthur Hill expresses himself in his latest book, *From Agnosticism to Belief*. Incidentally, one is pleased to learn that not only has he progressed spiritually from darkness to light, but from physical ill-health to renewed and almost normal bodily vigour.

Through many analytical and well-reasoned chapters he leads his readers from point to point in the Way of Discovery, telling how first he came into touch with spiritualism, his gradual accumulation of evidence privately obtained in his own home, chiefly through the mediumship of that remarkable psychic, Mr. A. Wilkinson. Amongst other evidence it is interesting that Raymond Lodge from the Other Side succeeded in giving some characteristic "test" messages, verified later, concerning some friends of his own family, who were known neither to Mr. Hill nor the medium.

Mr. Hill will, I hope, forgive me if I challenge the title of the chapter, "Meditations of an Irreligious Man." He conveys, to me at least, no impression of "irreligiousness." He is a breaker of idols, that is all, with a strong tendency to what has been called "Nature Mysticism"; and it may well be, as he says, that his attitude is "more pleasing to God than that of the man who, in Arnold's famous phrase, describes Him as minutely as if He were a man in the next street."

All who are still hesitating on the brink of the Slough of Despond may with advantage read this very carefully thought-out book and find, as its writer himself has found, that assuredly "there is a world of experience within or beyond the present world of sense. Some may reach it by direct perception; others may infer its existence and character from external facts if they have the good fortune to know anyone possessing the required faculties. The main thing is that the spiritual world is there."

ANCIENT SPRINGS AND STREAMS OF THE EAST RIDING OF YORKSHIRE : THEIR TOPOGRAPHY AND TRADITIONS. By the (late) Rev. W. Smith, Rector of Catwick with Long Riston. Illustrated. London: A. Brown & Sons, Ltd.; and at Hull and York. Price 6s. net.

THIS quaint and interesting volume will be gladly welcomed by a growing section of the reading public who are able to appreciate the somewhat elusive charm of the English folk-lore story. The late rector of a Yorkshire parish has succeeded in adding to literature a gem of real beauty, moreover a valuable aid to research and comparative study of a

fascinating subject that even now is not any too well known and only imperfectly understood. The writer sometimes leaves us in doubt whether he himself quite believes in many of the tales that have been told; evidently he does not expect us to credit all the stories he has collected, and many of the attested apparitions mirrored in the depths of the limpid wells of the East Riding could surely never have happened in any age—yet Tradition, we know, at times has proved a more worthy handmaiden to Truth than History itself!

Above all he has aroused our interest—our curiosity even; the little book is veritably packed with delightfully surprising things, so many good stories, such bright and happy thoughts, told all of them in scholarly language that is most refreshing to read. It is altogether a "joy book" that the Reverend William Smith has bequeathed to us, and we can imagine him writing much of it in some sunlit corner of his Rectory garden, surrounded by the flower and bird life that he greatly loved.

The various "Spas" of the district, the history of their rapid rise to fame, their subsequent eclipse, and the account of celebrated "Holy" wells, are all "comparatively" treated in most sympathetic manner, and bear considerably upon occult subjects generally, but the chief charm of the book lies in the faithful portrayal of many of the secrets of woodland valleys, sylvan glades, and shimmering river-sides where the dainty little fairy folk and the elfin people dwell.

The volume is nicely illustrated, and would suitably serve the pleasant purpose of a Christmas gift from friend to friend.

AVERNUS—A Tale of Terror

By MARY BLIGH BOND. 7s. 6d. net.

¶ An astounding story of the most mysterious of the world's lost ages, Atlantis. It tells of a fallen angel idolized and defiled by the Magi of Atlantis through successive human incarnations. In this unique record the veil is lifted, and the appearance of the Atlanteans, their dress, their speech, and the fantastic horror of their ceremonies, is set down; and there appears to be no reasonable doubt that the author wrote much of this terrific story inspired by a knowledge not normally hers.

¶ "The Gate of Remembrance" (now in its fourth edition) created a sensation by its account of the important discoveries made at Glastonbury Abbey by means of automatic writing and were subsequently proved by expert archaeological investigation. "THE COMPANY OF AVALON" is an extraordinarily interesting document and even more wonderful in a sense, as it deals with a period in the history of the Abbey of which practically nothing is known from outside sources.

HYMNS THAT HAVE HELPED. Edited by W. T. Stead. London :
Stead's Publishing House. Price 1s. 6d.

THIS is a re-issue of a little book that will be popular as long as there are hymns to be sung and voices to sing them. Mr. Stead described it as "A collection of those hymns, whether Jewish, Christian or Pagan, which have been found most useful to the children of men."

Numerous well-known persons acceded to Mr. Stead's desire to know their favourite hymns and so to aid him in its compilation. A curious exception was Herbert Spencer, who confessed to "a dislike to hymns at large." With equal candour a lady once told me she "*loathed* hymns, they always made her feel miserable"! No doubt association has much to do with both the loving and the loathing of hymns, as of other things. "We come out of trials and temptations," wrote Mr. Stead, "with hymns clinging to our memory like burrs." And with one of those curious prophetic flashes of his, he added, à propos of that "inverted egotism" which shrinks from testifying to its own deeper experiences—"It is not regarded as egotism when the passing steamer signals across the Atlantic wave news of her escape from perils of iceberg or fog." . . . Well do we recall in what last moment of peril the hymn that helped W. T. Stead was "Nearer, my God, to Thee."

of an original tendency—namely, the desire to think things out for himself and to write about what he has actually experienced. Therefore, Mr. Brooking's comments on various phases of the inner life will be very helpful to the sincere seeker for the hidden springs of the spirit who is sufficiently sensitive to value a beautiful gem not less because it is placed in an unpretentious setting. The author has had mystical and psychic experiences which fully qualify him to guide those who desire similar experiences. The title aptly describes the book, which will be found particularly helpful by those who have not yet had the experience of meeting the Dweller on the Threshold.

PROF. RADHAKRISHNAN observes that "thanks to the obscurity as well as the richness, the mystic haze as well as the suggestive quality of the Upaniṣads, the interpreters have been able to use them in the interests of their own religion and philosophy." Nevertheless he finds that "the whole philosophy of the Upaniṣads tends towards the softening of the divisions and the undermining of class hatreds and antipathies. God is the inner soul of all alike." When we consider that some of the Upaniṣads are of a date pre-Buddhistic we applaud another instance of the antiquity of the human-sublime. A pure non-selfish attempt to ascertain truth and to define reality is of itself sufficient to stamp a work of literature with dignity. Here we have a book, bearing profuse tokens of editorial scholarship, which if it does not add to the Upaniṣads' power of enlightening, is valuable for its light on them. THE GARDEN OF THE SUN. By Albert Ernest Stafford Smythe. The Macmillan Company. Price 3s. 6d. net.

THAT Mr. Smythe has poetic gifts of no mean order the following sonnet, entitled "Lilith Redemptrix," testifies :

The lover and the hero bear one heart ;
Hold thyself high and wear the double crown,
And suffer not for all the world's renown
To set great Nature and thy soul apart.
There is a love beyond the grange and mart—
Above the range of vows—for which the frown
Of custom sets no pale ; whose Word brings down
The ineffable power of Life whence all things start.
And with that Love I woo thee to this breast ;
And with that power I join thee on the height
And draw thee from the deeps to make one life
Between us, rich for our fellows, God-possessed—
An ageless unity of man and wife
Unsunderably true as sight and light.

These lines, however, show the poet at his best ; the majority of the poems in *The Garden of the Sun* do not reach such a high level, though the first eight lines of "Death the Revealer" are very fine, as also are "The Beauty Eternal" and "The Sun-Dream." Mr. Smythe has perhaps a tendency to write too easily, but with more concentration his work

APPLIED PHILOSOPHY. By C. Y. C. Dawbarn, M.A. 7¼ ins. × 5¼ ins., pp. xviii + 331. London: Messrs. Longmans, Green & Co., Paternoster Row, E.C.4. Price 5s. net.

THIS book consists of three parts, which appear to be only slightly connected with each other. Part I, entitled "Introductory," consists of two chapters, in the first of which the author lays down what I take to be his prime thesis, namely, that life is a duality, being "made up of reason and action; principles and practice; of faith and acts; of philosophy and conduct"—a thesis with which few persons, I think, will be inclined to disagree, and one which it seems hardly necessary to have written a book to substantiate. At any rate, such a book, if necessary at all, would, in order to be effective, have to be of a very different quality from the one under review, which, it must be confessed, is a dull and tedious affair, marred by many faults, of which not the least annoying is the author's habit of constantly commencing his sentences with the word "and".

Part 2, entitled "Physical Science as Determinant in Life," consists

of three addresses to various societies delivered by the author during the war, and having very little connection with the title of the part. They are typical of much that was written and spoken, during the period in question, under the influence of the psychology of the crowd, and the author would have been wiser had he allowed them to lapse into oblivion.

Part 3, which makes up the major portion of the book, is entitled "Ethical Ideal as Determinant in Life, reviewed in the Ancient History of the Jews and in Creedless Christianity." By "Creedless Christianity" the author means the philosophical quintessence of Christ's teaching which may be summarized under two doctrines, (i) that man shall not live for himself alone, and (ii) that God is love. Mr. Dawbarn's conception of the teaching of Christ is just and his presentation of it constitutes the portion of the book least open to criticism. But his treatment of the application of this philosophy to life is both vague and unsatisfactory. It is no doubt true, as he points out, that with many pagan cults fear was the dominant factor; but he seems to forget the fact that fear played a hardly less important part in the historical development of Christianity with its fire-and-brimstone hell. It is also true that we no longer torture people to death by burning—nowadays we adopt starvation. In fact Mr. Dawbarn's book is marked by an irritating complacency, an implicit assumption that the ideal of Creedless Christianity is now established which vitiates its conclusions throughout.

There is nothing " preachy " in its style, and thoughtful children of, say, twelve years or more, will probably enjoy it, while there is a good deal that their elders might profitably meditate upon. The chapters on " The Answering Joy " and " The Breastplate " are particularly good ; no child could read the description of that " arrow-proof, bullet-and-rapier-proof, weather-and-fire-proof, poison-hate-and-storm-proof " breastplate without wanting to know how to forge one for his own special use. Miss Williams is to be congratulated on having found out how to treat deep and difficult subjects in such a way as to make them not only helpful but attractive to the youthful mind.

THE MAN ON THE OTHER SIDE. By Ada Barnett. London : George Allen & Unwin, Ltd. Pp. 249. Price 7s. 6d. net.

The power of intense hatred, desiring harm for others, to work evil after the hater's death, provides in this novel one of the elements of a terrific conflict. Two of the principal characters being discarnate there can be no doubt of the " occultism " of a work which, while in parts gushingly feminine, has the charm of beautiful thought and verbal picturing.

The heroine has come into possession of a typically lovely bit of rural England which belonged to an altruist who was killed in the war. His personality produced or sustained an attractive and salutary atmosphere, and his successor not only cherishes the spiritual excellence of her property, but works triumphantly for the salvation of a young woman whom the deceased soldier had loved. The *origo mali* is the spirit of a horribly killed German who posthumously invades the female object of his earthly desires, striving to make her an incendiary.

The author writes with a heart untainted by racial prejudice, and describes her heroine's neighbours vividly and humorously.

SUCCESS! WHAT DOES IT MEAN TO YOU?

Does Success —financial success—money—mean the satisfying of some life-long desire—travel, study, luxuries, a new home, a commanding position, a business of your own, independence? If you have such a desire you can make it come true—for you have the power—the ability—within yourself to do so if you know how to develop and use that power.

The marvellous Secret Power of the Oriental Adepts is for the first time placed at your command by a complete, comprehensive, practical application of the Mysterious Teachings of the Orient.

“THE MYSTIC ROAD TO SUCCESS”

is a course of actual exercise, NOT generalities, giving in the most concise manner the exact methods to follow in order to control your mind and through it the irresistible Occult Forces. Each lesson is accompanied by a complete explanation—worded in the plainest terms.

This instruction contains all of the merit in Western Psychology and then carries you further, giving you the complete Occult Methods for the development of Power. It is the only instruction in existence that gives you the complete methods for the development of Dynamic Mental Power. It is copyrighted internationally. Self-confidence — poise — will-power—personal magnetism—are a few of the benefits you will gain so easily as to appear almost magical. There is no studying—just a few minutes daily is all that is required.

Write To-day

and we will send you the first two lessons of this wonderful course for two weeks' free trial so that you may see the arrangement and practise the methods to see how easy and logical they are. Then write us whether to enrol you.

SUCCESS! WHAT DOES IT MEAN TO YOU?

Does Success
—financial suc-
cess—money—mean the satisfying
of some life-long desire—travel,
study, luxuries, a new home, a
commanding position, a business
of your own, independence? If
you have such a desire you can
make it come true—for you have
the power—the ability—within
yourself to do so if you know how
to develop and use that power.

The marvellous Secret Power of
the Oriental Adepts is for the first
time placed at your command by a
complete, comprehensive, practi-
cal application of the Mysterious
Teachings of the Orient.

“THE MYSTIC ROAD TO SUCCESS”

is a course of actual exercise, NOT
generalities, giving in the most
concise manner the exact methods
to follow in order to control your
mind and through it the irre-
sistible Occult Forces. Each
lesson is accompanied by a com-
plete explanation—worded in
the plainest terms.

This instruction contains all of
the merit in Western Psychology
and then carries you further, giv-
ing you the complete Occult
Methods for the development of
Power. It is the only instruction
in existence that gives you the
complete methods for the develop-
ment of Dynamic Mental Power.
It is copyrighted internationally.
Self-confidence — poise — will-
power—personal magnetism—are
a few of the benefits you will gain
so easily as to appear almost magi-
cal. There is no studying—just a
few minutes daily is all that is
required.

Write To-day

and we will send you the first two
lessons of this wonderful course
for two weeks' free trial so that
you may see the arrangement and
practise the methods to see how
easy and logical they are. Then

THE MASONIC INITIATION.

A Sequel to "The Meaning of Masonry." By W. L. WILMSHURST, P.M. Demy 8vo, cloth gilt. Uniform with "The Meaning of Masonry." 10s. 6d. net.

CONTENTS:—Introduction. SECTION I. FROM DARKNESS TO LIGHT.—The Need for Education in Masonic Science—Difference between Ceremonial and Real Initiation—The Ancient Mysteries and original qualifications for them—The Science a Means of advancing Human Evolution—Can Masonry be made to do this?—The Ideal Lodge.

SECTION II. LIGHT ON THE WAY.—Self-knowledge—The "G"—The Ladder—The Superstructure—The Cabletow—The Apron—The Wind—Seeking a Master—Wages—The Law of the Mount—From Labour to Refreshment—The Grand Lodge Above.

SECTION III. LIGHT IN ITS FULLNESS.—Observations and Examples—Apocalypse: An Initiation Experience.

SECTION IV. THE FUTURE OF THE ORDER.

"Since the end of the War interest in the deeper and philosophic aspect of Freemasonry has become more pronounced. There is greater anxiety to understand its symbolism, to read its hieroglyphics, and to appreciate the spirit and teachings which have been so effectively veiled in allegory. In the present volume Brother Wilmshurst continues the work he began two years ago with "The Meaning of Masonry." He carries philosophic consideration of the subject to a fine and inspired climax in the chapter entitled "Apocalypse," which, in its spiritual insight, is far in advance of the masonic writings of a generation ago."—*The Times*.

"This is the aim of Bro. Wilmshurst's volume—to inspire within the members of the Craft a desire for growth in the life of the Spirit, with the acquisition of the enhanced faculty and inward Vision that accompany it."—*The Freemason*.

THE WAY OF ATTAINMENT

By SYDNEY T. KLEIN. Author of "Science and the Infinite."
Crown 8vo, cloth. 5s. net.

CONTENTS:—Apologia—Preface—The Invisible is the Real, the Visible is only its Shadow-form—The Power of Prayer—Spiritual Regeneration—Dogma of the Virgin Birth—Finding the Kingdom of Heaven "Within"—Realizing One-ness with God—Nature of the Ascent—Reaching the Summit.

Mr. Sydney Klein's new work may be regarded as complementary to his well-known work entitled "Science and the Infinite," and will add to his reputation as a lucid thinker who is able to present the deeper philosophical and spiritual aspects of life in simple and incisive language. His familiarity with the developments of modern science, and his sympathetic insight with regard to intellectual and spiritual problems, enable him to illumine the most obscure regions of thought and feeling. The reader is led step by step, by numerous vivid illustrations from the physical universe to visualize the wonders which may be seen by every earnest seeker who has entered the path leading to the summit of spiritual realization.

SUCCESS! WHAT DOES IT MEAN TO YOU?

Does Success—financial success—money—mean the satisfying of some life-long desire—travel, study, luxuries, a new home, a commanding position, a business of your own, independence? If you have such a desire you can make it come true—for you have the power—the ability—within yourself to do so if you know how to develop and use that power.

The marvellous Secret Power of the Oriental Adepts is for the first time placed at your command by a complete, comprehensive, practical application of the Mysterious Teachings of the Orient.

“THE MYSTIC ROAD TO SUCCESS”

is a course of actual exercise, NOT generalities, giving in the most concise manner the exact methods to follow in order to control your mind and through it the irresistible Occult Forces. Each lesson is accompanied by a complete explanation—worded in the plainest terms.

This instruction contains all of the merit in Western Psychology and then carries you further, giving you the complete Occult Methods for the development of Power. It is the only instruction in existence that gives you the complete methods for the development of Dynamic Mental Power. It is copyrighted internationally. Self-confidence — poise — will-power—personal magnetism—are a few of the benefits you will gain so easily as to appear almost magical. There is no studying—just a few minutes daily is all that is required.

Write To-day

and we will send you the first two lessons of this wonderful course for two weeks' free trial so that you may see the arrangement and practise the methods to see how easy and logical they are. Then write us whether to enrol you.

Does Success
—financial suc-

cess—money—mean the satisfying of some life-long desire—travel, study, luxuries, a new home, a commanding position, a business of your own, independence? If you have such a desire you can make it come true—for you have the power—the ability—within yourself to do so if you know how to develop and use that power.

The marvellous Secret Power of the Oriental Adepts is for the first time placed at your command by a complete, comprehensive, practical application of the Mysterious Teachings of the Orient.

THE MYSTERY-RELIGIONS AND CHRISTIANITY

A Study in the Religious Background of
Early Christianity

By the Rev. S. ANGUS, Ph.D., D.Litt. 15s. net.

PRESS[OPINIONS]:

"The great religious debt that the West owes to the East, and the manner in which that debt came to be incurred, is very clearly brought out by Dr. Angus. The history of the protracted and interesting struggle between these mystery religions and Christianity, with its mutual reactions and inter-reactions, is supremely interesting, and Dr. Angus relates it extremely well. I do not recollect to have come across any book in which the subject is at once so clearly, so comprehensively, so impartially, and so attractively handled."—*Truth*.

"Many thoughtful readers will welcome the learned and ably-written study in the religious background of early Christianity. . . . The author shows himself well acquainted with the formidable literature of the subject."—*The Daily Telegraph*.

"The book should appeal to the general reader as well as to the student, for it maintains a high level of literary quality, and presents the dramatic features of these mystery religions in an easily acceptable and not too expensive form."—*The Yorkshire Post*.

"A very large public has been earnestly waiting for such a book as Dr. Angus has written. He gives a clear picture of the Mystery-Religions themselves, and has a profound knowledge of the inscriptions and of the whole range of literature bearing on his subject."—*The British Weekly*.

Works by the late **ORISON SWETT MARDEN.**

Crown 8vo. Crimson Cloth extra. 5s. net per volume.

THE CONQUEST OF WORRY.

328 pp., cloth gilt. With frontispiece portrait of Author.

This, the latest and posthumous volume of Dr. O. S. Marden, is a real mental tonic and one of the most convincing works ever written by this popular author, whose inspirational writings have gained a wide popularity on both sides of the Atlantic.

HOW TO GET WHAT YOU WANT.

"Mr. Marden is certainly very stimulating and suggestive, and the popularity of his books in America shows that he has gained a large following across the Atlantic."—*The Bookseller.*

THE MIRACLE OF RIGHT THOUGHT.

"A book on much the same lines as such works as 'In Tune with The Infinite.' It teaches 'the divinity of right desire,' and the virtue of an optimism which casts fear wholly out of life."—*The Scotsman.*

"Mr. Marden's book is quite the best of its kind we have seen."—*Theosophy in Scotland.*

THE SECRET OF ACHIEVEMENT.

"If all the people who want to obtain self-mastery and to drive their minds into definite channels would read this book it would make an end of their troubles. Optimism, of no use in its vague form, becomes valuable when organized. This is Mr. Marden's claim to attention."—*T.P.'s Weekly.*

EVERY MAN A KING, or Might in Mind Mastery.

"Admirable! It is a long time since we have read a book on the fascinating subject of mind's influence over matter, especially in the building of character, with as much pleasure as this has afforded. Characterized throughout by a cheery optimism, the perusal of it is as good as any tonic, and far better than most."—*Pall Mall Gazette.*

HE CAN WHO THINKS HE CAN, and other Papers on Success in Life.

"I wish every young man in England could read all the Essays of Orison Swett Marden. If they cannot do this, the next best is to get the volume recently issued, entitled 'He Can Who Thinks He Can.'"—*Weekly Times and Echo.*

LOVE'S WAY.

"Mr. Marden preaches that the solvent of all our difficulties—political, religious and social—is to be found in the rigid application of the Golden Rule."—*Yorkshire Observer.*

MAKING YOURSELF.

"Every chapter is full of virile thought and forceful writing."—*Wesleyan Methodist.*

SUCCESS! WHAT DOES IT MEAN TO YOU?

Does Success
—financial suc-
cess—money—mean the satisfying
of some life-long 'desire—travel,
study, luxuries, a new home, a
commanding position, a business
of your own, independence? If
you have such a desire you can
make it come true—for you have
the power—the ability—within
yourself to do so if you know how
to develop and use that power.

The marvellous Secret Power of
the Oriental Adepts is for the first
time placed at your command by a

cal application of the Mysterious
Teachings of the Orient.

to follow in order to control your
mind and through it the irre-
sistible Occult Forces. Each

plete explanation—worded in
the plainest terms.

the merit in Western Psychology
and then carries you further, giv-
ing you the complete Occult
Methods for the development of
Power. It is the only instruction
in existence that gives you the
complete methods for the develop-
ment of Dynamic Mental Power.
It is copyrighted internationally.
Self-confidence — poise — will-
power—personal magnetism—are
a few of the benefits you will gain
so easily as to appear almost magi-
cal. There is no studying—just
a few minutes daily is all that is
required.

Write To-day

and we will send you the first two
lessons of this wonderful course

The Book and the Pyramid thus complement and illustrate one another, and together enshrine the esoteric truths taught by the hierophants of Ancient Egypt.

EMBLEMATIC FREEMASONRY

and the Evolution of its Deeper
Issues

By ARTHUR EDWARD WAITE

Demy 8vo. 12s. 6d. net.

CONTENTS :—Intimations from the Old Records—The Acception and Robert Fludd—Ancient York Masonry—The Mystical Quest in Freemasonry—Masonic Tradition and the Holy Royal Arch—The Second Birth of Masonry in Continental Rites—Grades of the Secret Tradition—Christology of the Secret Tradition in French Freemasonry—The Chivalry of the Holy Temple—The Development of Vengeance Grades—Freemasonry and the Latin Church—The Alleged Masonic Peril—The Place of Masonry in the Rites of Initiation—Outlook of the Deeper Issues.

The studies composing this work present in an ordered sequence the chief aspects which have been assumed by Emblematic Freemasonry, its connections and developments, in the course of their progress through the past two centuries. The author's aim has been to present the root-matter of the various degrees and grades now in existence, and by exhaustive research to throw new light on the origin of materials incorporated into the rites and rituals. He further expands the interpretation of the meaning conveyed by the allegories and symbols of the Masonic degrees on the lines of his previous work entitled "Studies in Mysticism," in which he concerns himself chiefly with the deeper issues of symbolism.

The chapter dealing with the alleged Masonic Peril is a brilliant summary of the whole question, with reference to recent writings, and the volume will be found to be one of vital importance and surpassing interest to all Freemasons.

and all those other beautiful, alluring women of the East knew, the Mystic and Hidden Secrets of Beauty. Secrets so intricate and closely guarded that few know or suspect what lies beneath it all.

Were it so simple that one just indiscriminately applied ready-made concoctions and rubbed a little here and there, then who could not enthrall the world with their Beauty? Nature provides the exquisite ingredients but without inner knowledge one cannot hope to make for Woman that Throne of Beauty on which she reigns for ever a Queen.

Even as a modern Doctor requires a Diagnosis before he can treat a case, so must the most Ancient and Exquisite of all Arts be probed to the root with understanding to succeed.

In this Art I stand alone and can advise and prescribe for every need. Birth data essential. Write confidentially to
