THE PROBLEM OF ATLANTIS

By LEWIS SPENCE

Demy 8vo, cloth, illustrated. 10s. 6d. net.

CONTENTS.—The Atlantis of Plato—Plato's Account Examined—The Evidence from Pre-History—The Third Atlantean Invasion—The Evidence from European Tradition—The Evidence from American Tradition—The Evidence from American Tradition (continued)—The Evidence from Central American Archæology—The Evidence from Central American Archæology (continued)—The Evidence from Egypt—Egyptian and American Comparisons—The Evidence from Old Peru—The Geography and Topography of Atlantis—The Flood—Atlantis Restored.

First Press Notices

"Of all ancient legends none has laid greater or more permanent hold upon the imagination of mankind than that of Atlantis, the lost continent from which, it may be, the beginnings of civilization came to Europe. Ever since Plato told of an invasion from the west of a race coming from a great and wonderful Empire nearly ten thousand years before Christ, the tale has persisted, and men have wondered whether our culture did, indeed, first rise in Crete or Egypt, or whether there was not some far more ancient and mysterious source.

"To the solution of these questions Mr. Spence has given years of patient study, and it certainly does seem as though by masses of evidence, pre-historical, historical, archæological, and biological, far too great to be even glanced at here, he has at last solved at any rate a great part of the age-old problem of Atlantis."—MICHAEL TEMPLE IN *The Referee*.

"Mr. Spence puts forward with a creditable degree of impartiality the various facts which lead to the conclusion that Plato's description of Atlantis was by no means imaginary. Certainly Mr. Spence has made a stronger case for the probability of such a lost continent than we have hitherto met with."—*Eastern Daily Press*.

"A mine of interesting and suggestive information."—THE OCCULT REVIEW.

"Our author argues that the ancient Egyptians and Peruvians, though separated by the Atlantic Ocean, were both descendants of those old Atlanteans. He goes further. He says that our great Druidical remains, Avebury, Stonehenge, etc., were the work of Atlanteans, who came and colonized in Britain long before Julius Cæsar. It is a romantic story, and yet Mr. Spence makes out an excellent case for it."—*Liverpool Weekly Post*.

By ERNEST C. PALMER. Crown 8vo, cloth. Frontispiece and diagrams. 3s. 6d. net.

CONTENTS: Preface—The Mysteries—The Book of the Dead—Marsham Adams' Discovery—Marsham Adams' Theory—The Great Pyramid—The Book and the Pyramid—The Symbolism of the Book—The Sphinx—Appendices.

The author of this work follows and amplifies the theory advanced by the late Mr. Marsham Adams that the Great Pyramid was an ancient temple of Initiation, and that it was constructed in such a manner as to constitute a symbolic monument of the secrets contained in the so-called *Book of the Dead*. The Book and the Pyramid thus complement and illustrate one another, and together enshrine the esoteric truths taught by the hierophants of Ancient Egypt.

SUCCESS! WHAT DOES IT MEAN TO YOU?

Does Success—financial success—money—mean the satisfying of some life-long desire—travel, study, luxuries, a new home, a commanding position, a business of your own, independence? If you have such a desire you can make it come true—for you have the power—the ability—within yourself to do so if you know how to develop and use that power.

The marvellous Secret Power of the Oriental Adepts is for the first time placed at your command by a complete, comprehensive, practical application of the Mysterious Teachings of the Orient.

“THE MYSTIC ROAD TO SUCCESS”

is a course of actual exercise, NOT generalities, giving in the most concise manner the exact methods to follow in order to control your mind and through it the irresistible Occult Forces. Each lesson is accompanied by a complete explanation—worded in the plainest terms.

This instruction contains all of the merit in Western Psychology and then carries you further, giving you the complete Occult Methods for the development of Power. It is the only instruction in existence that gives you the complete methods for the development of Dynamic Mental Power. It is copyrighted internationally. Self-confidence — poise — will-power—personal magnetism—are a few of the benefits you will gain so easily as to appear almost magical. There is no studying—just a few minutes daily is all that is required.

Write To-day

and we will send you the first two lessons of this wonderful course for two weeks' free trial so that you may see the arrangement and practise the methods to see how easy and logical they are. Then write us whether to enrol you.

A PLAY WITH A MESSAGE

Those of us who know the paramount importance of right thinking, must have wished frequently for a higher standard of spiritual thought in the dramatic entertainment offered to our people.

The producers hope that this play may be one step toward the desired goal.

“Dramatic action is worth more in bringing out doubts, half-lights, audacities, followed by recoils, flights of fancy, than any abstract discussion. . . The last word in modern philosophy will be in a drama.”

SUCCESS! WHAT DOES IT MEAN TO YOU?

Does Success—financial success—money—mean the satisfying of some life-long desire—travel, study, luxuries, a new home, a commanding position, a business of your own, independence? If you have such a desire you can make it come true—for you have the power—the ability—within yourself to do so if you know how to develop and use that power.

The marvellous Secret Power of the Oriental Adepts is for the first time placed at your command by a complete, comprehensive, practical application of the Mysterious Teachings of the Orient.

“THE MYSTIC ROAD TO SUCCESS”

This instruction contains all of the merit in Western Psychology and then carries you further, giving you the complete Occult Methods for the development of Power. It is the only instruction in existence that gives you the complete methods for the development of Dynamic Mental Power. It is copyrighted internationally. Self-confidence — poise — will-power—personal magnetism—are a few of the benefits you will gain so easily as to appear almost magical. There is no studying—just a few minutes daily is all that is required.

Write To-day

and we will send you the first two lessons of this wonderful course for two weeks' free trial so that you may see the arrangement and practise the methods to see how easy and logical they are. Then write us whether to enrol you.

with a foreword by

REV. DR. FRANK BALLARD

Mr. Appleyard is well known throughout the Spiritualistic movements in Great Britain and America. MAN WHO THRILLED THE WORLD

Divulges Methods by which Anyone
can Dominate and Triumph:
Proves by Scientific Fact
that there is no longer an
excuse for Failure
or Ill-Health.

Great numbers of people to-day struggling for a livelihood, have a great inherent power to attain supremacy—others struggling along in spite of ill-health can attain fitness and content. These are but two of the truths brought home, in the most thorough and definite manner, by a book recently issued, entitled "The Marvels of Couéism." We have here a doctrine expounded by one who has attained all that he claims, and the world-wide renown of Emile Coué—accredited with being the modern magician of the human mind—is proof, in itself, that this new Science of Couéism is destined to have a remarkable, far-reaching effect.

"The Marvels of Couéism" is undoubtedly the key for which the world has been searching: the perusal of it gives the impression of a new aid, a wondrous power, an inherent force, that may be wielded by rich and poor alike. As you read, there arises an ever-growing conception of the many applications to which the Science may be put, making each day more progressive and more productive—giving bigger rewards. The man or woman, young or old, who permits a day to go by without obtaining "The Marvels of Couéism" will be guilty of neglect to his or her own interests: so great an aid does it give, that those who are not conversant with its contents will surely be at a great disadvantage in this age of competition—whether the word be applied to society, industry, or the professions.

So that there shall be no obstacle to those who would profit the most from "The Marvels of Couéism," the publishers have arranged to distribute no less than 10,000 copies, entirely free of charge. A certain number have been reserved for our readers, but early application is imperative, or you may be disappointed. Simply send your name and address to: The Coué-Orton Institute, Ltd., Dept. 42, Holborn Viaduct House, London, E.C.1, enclosing, if you wish, 3d. in stamps to cover postage, and you will have made a definite sure step towards the achievement of your desires. Then you will be able to prove for yourself that the power which made at least one man world-famous can be enjoyed, to its full, in your own case.

unless you intend to make use of the advice given. When you are told to use certain numbers, colours, scents, etc., harmonious with your ruling planet, make a point of doing so.

In order to facilitate this, I have arranged with a dispenser and a herbalist, who, under my instructions, are preparing a complete toilet series, including perfumes, powders, soaps, bath crystals, etc., all of which are made up from herbs ruled by the planet in question and the purest chemicals procurable.
