

# The latest addition to "The Curtiss Books" COMING WORLD CHANGES

By Dr. and Mrs. F. Homer Curtiss

Authors of *The Voice of Isis, Realms of the Living Dead, etc.*

A rational summary of the many recent prophecies as to world cataclysms, the value of such prophecies, together with the scientific and philosophic principles underlying cyclic changes in the earth's surface.

Not a pessimistic, hopeless and fear-producing volume, but presenting the underlying principles of the changes, the effect of humanity's vibrations upon those of the earth, and a definite remedy for shortening "the days of tribulation."

- Chap. I.—Prophecies of Sir Arthur Conan Doyle and many others.
- Chap. II.—Geological Considerations, the scientific aspect.
- Chap. III.—The Philosophy of Planetary Changes such as sank Atlantis, etc.
- Chap. IV.—The mysterious King of the World and the predicted Asiatic invasion of Europe.
- Chap. V.—The Heart of the World. The relation of America to world conditions.
- Chap. VI.—The Battle of Armageddon. Was it the World War? Psychic factors in the World War, etc.
- Chap. VII.—The Remedy. Based on scientific psychological as well as spiritual principles.

If you wish to understand the finer forces operating back of present-day conditions you need this remarkable volume. In the author's usual clear and convincing style.

"Dr. and Mrs. Curtiss are noted internationally for the profound scholarship with which they have studied the problems of ancient and modern mysticism. . . ."

"They have dared to prophesy! . . . They are entirely frank and absolutely fearless. . . . Reading their simple phrasing, sensing their calm earnestness, one is disposed to think upon what they have said. . . ."

"The fact that they predicted the World War, in a volume published two years before the assassination at Serajevo, lends special value to their dream of the approaching new era. . . ."

*Ready March 11.*

**MELLOW SHEAVES.** By VIOLET TWEEDALE. Author of "Ghosts I Have Seen," "Phantoms of the Dawn," etc., etc. Demy 8vo, cloth gilt, 18s. net.

A series of essays, idealistic in tone, embodying the nature reflections and reminiscences—mellow sheaves of ripe experience—of a popular novelist and psychical researcher. Illustrated by striking personal anecdotes and remarkable psychic records, the field covered is a wide one, and embraces such a diversity of subjects as Spiritualism, Clairvoyance, Occultism, Spiritual Healing, Visions, Prophecy, Religious Mysticism, and Reincarnation.

**THE CHRONICLES OF OSIRIS.** Set down by the hand of "El Eros." Demy 8vo, cloth gilt, 7s. 6d. net.

This further remarkable volume of psychic origin, written down from clairaudient dictation by the hand of "El Eros," will doubtless arouse as deep and sustained an interest as has been the case with its predecessor, *The Book of Truth*.

Herein are recorded, in graphic language, the circumstances of the destruction of the evil continent of Atlantis, and the establishment, by a band of refugees, of the ancient Atlantean mysteries in the land now known as Egypt. This work is a fragment of occult history with the thrill of an action novel.

**THE WHITE BROTHER.** By MICHAEL JUSTE. Demy 8vo, cloth, 7s. 6d. net.

This work is a fragment of occult autobiography that carries with it evidences of its authenticity. Its pages reveal an intimate and first-hand knowledge on the part of the author of the deeper issues of Occultism, and collectively constitute a human document of interest alike to the serious student of psychology and the general reader who seeks to adventure into the unexplored by-ways of the occult world.

**REALMS OF LIGHT AND HEALING.** By MRS. ROBOTOM AND MRS. DOYLE. Crown 8vo, 2s. 6d. net.

In words that breathe a spirit of profound earnestness and deep devotion, the experiences of two ladies in connection with Spiritual Healing are here recorded. Strange adventures in Spirit Realms and remarkable manifestations of Healing Power combine to bear valuable testimony to the reality of the Unseen which passes so insistently upon ears that, hearing, hear not, and eyes that, seeing, remain blind to the glory of the Realms of Light.

*Just Out.*

**OCCULTISM AND CHRISTIANITY.** By HUGH ROSCOE. Demy 8vo cloth gilt, 7s. 6d. net.

Among the many problems dealt with are those concerning the Virgin Birth, Reincarnation, and Immortality. The principles of occult and esoteric teaching are discussed, while a dignified plea for Christian unity concludes a study which holds great promise of help for the earnest seeker after Truth.

## ANNOUNCEMENTS

1927.

*Ready March 25.*

**MEMORABILIA.** By MADAME ISABELLE DE STEIGER. Author of "On a Gold Basis," "Cloud upon the Sanctuary," etc., etc. Extra large demy 8vo, cloth gilt, 21s. net.

That the *Memorabilia* of such a prominent figure in occult circles as the late Madame de Steiger should teem with interesting reminiscences and anecdotes is only to be expected. Intimately associated for many years with the occult movement in general, and with the Hermetic school in particular, the author has much to say of notabilities such as Madame Blavatsky, Mrs. Besant, Mabel Collins, Anna Kingsford, Edward Maitland, Col. Olcott, A. P. Sinnett, W. L. Wilmshurst, Dr. Wyld, and others, to say nothing of many well-known figures in artistic and literary circles. The wide circle of her interests and acquaintanceship should assure her book a ready welcome in an extended field.

**HOW I CURED MYSELF BY FASTING.** Being the Marvellous Story of a Fifty-two Days' Fast. By the REV. WALTER WYNN. Author of "What will come to Pass?" etc. Paper boards, 1s. net.

The author here describes the marvellously curative effects of the simple act of fasting. His virile and forceful style tells even more convincingly than do his words of the exuberant energy and health which he has so miraculously found.

**LABERT CHEVALIER COMES BACK.** By MRS. CHEVALIER. Crown 8vo, cloth, 4s. 6d. net.

In this record of Mrs. Albert Chevalier's experiences in an endeavour to establish communication with her departed husband, the popular entertainer, the reader is brought face to face with the actuality of the after-life. The famous author of "My Old Dutch," not only himself comes back with messages of hope and reassurance to his wife, but brings with him old friends of his former life in the theatrical world, such as the late Dan Leno. The appeal of this simple account is further enhanced by the many passages of intimate self-revelation incidental to the task of establishing the identity of the spirit communicator.

**THE HISTORY OF ATLANTIS.** By LEWIS SPENCE. Author of "The Problem of Atlantis," "Atlantis in America," etc., etc. Demy 8vo, cloth gilt, with 16 illustrations, 10s. 6d. net.

"... has built up an amazing argument in support of his firm conviction."—*Bradford Telegraph*.

**THE SEAT OF THE MESSIAH**

Is in your heart. You can only find **HIM-HER** by Meditation. You can only obtain admittance to this Temple by knocking at the Door in the **NAME** of the **COSMIC CHRIST (Divine LOVE)**.

Dost thou truly embrace in Love all men of all creeds, seeing the One Eternal Light of Love shining through all? Thou art thy own judge. There is no such thing as a bad conscience. It is thy *good* Conscience that reproves thee. Thy conscience is the Eye of thy soul.

What art thou creating? Power, Knowledge, Glory for *thyself*, or art thou hidden in the suffering heart of the world which calls for Sympathy and Love?

Come, Beloved Ones, into the Light of Eternal Life and Love.

Follow the Faith of thy fathers be it Christian, Jewish, Islamic, Brahmic, Buddhist, Confucian, Taoist.

Seek the true **CENTRE** or **SOUL** of thy Faith and pass into the Church of the New Jerusalem through it. Only by Silent Meditation will you find the Way.

**HERE IS A MESSAGE FOR ALL BRETHREN.**

Offer thyself as sacrifice for the World's woes. Bare thy heart to the spear of the World's sufferings. Dedicate thy soul to the doing good *to all*.

The Secrets of the Silence have been unsealed, and the work of the Ever-Living Fire is made known unto those who have lived in obedience to the Master Will.

In the Silence of the Sacred Place within thy soul I will speak *to all* who are sincere, and I will touch the brow of the sorrowful and help them to overcome their grief and pain.

If within thy Sacred Place you will let your highest and noblest thoughts be the incense sweet that is offered, I will be near thee in thy hour of meditation, and stand near thee in thy hour of trial.

## ROMA LISTER'S

### Further Reminiscences : Occult and Social

ARNOLD BENNETT in the "Evening Standard" writes:—

"His book is interesting. It gives genuine information about modern Rome: it tells spiritualistic stories which are diverting and, indeed, enthralling. The competent reviewer could come to a fair conclusion about the book in less time than he could eat his breakfast. For myself I gave much more time than that to it because it attracted me."

# FOUR IMPORTANT WORKS

## ALBERT CHEVALIER COMES BACK

by  
FLORENCE CHEVALIER

*Cloth, illustrated, 5s. net.*

The reader is brought face to face with the actuality of the after-life. The appeal of this simple account is further enhanced by the many passages of intimate self-revelation incidental to the task of establishing the identity of the spirit communicator.

"Exquisitely described."

## REALMS OF LIGHT AND HEALING

by  
MRS. ROBOTTON and  
MRS. DOYLE

*Crown 8vo, cloth, 2s. 6d. net.*

The experiences of two ladies in connection with Spiritual Healing are here recorded. Strange adventures in Spirit Realms and remarkable manifestations of Healing Power combine to bear valuable testimony to the reality of the Unseen which presses so insistently upon ears that, hearing, hear not, and eyes that, seeing, remain unconscious of the glory of the Realms of Light.

## THE WHITE BROTHER

by MICHAEL JUST

*Demy 8vo, cloth, 7s. 6d. net.*

This "White Brother" showed the author how, through spiritual exercises, he could visit those realms which to the ordinary man are forbidden lands. He showed him, for example, how to travel on the mental plane—how he could consciously project his double to vast distances, and bring back into conscious life the remembrance of such journeys. But the scope of the book is wider than this. Michael Juste elucidates many questions which perplex most thinking men and women. Anarchism, atheism, socialism, spiritualism, theosophy—all these the author tasted in the hope that they could offer some lasting panacea. At long last he found just that philosophy which satisfied his highest aspirations and which proved to be a key to life's deepest problems.

## LEAVES FROM A PSYCHIC NOTEBOOK

*Crown 8vo, cloth, 5s. net.*

A collection of scholarly studies of various aspects of Psychical Research by a writer whose name has figured prominently as an investigator in this field for over twenty years. Scientific impartiality in combination with an instinctively idealistic standpoint characterise the author's views on the Bearing of Spiritualism on the deeper Life of Humanity; Psychical Research, Science and Religion, Demoniacal Possession, etc., etc.
