Re-Birth—Baptism by Fire and the Holy Ghost.

Few know the mystery of Baptism of Fire. It is given so simple that any one can understand it. This is the coming into sonship, being born into Christ.

The Coming of Christ.

The various theories and guesses of the unenlightened are completely changed into Light and Understanding, as the full Truth is unfolded and the mystery of Christ is revealed. How Christ will come. Where He is and the time of His coming.

The Judgment.

The Judgment Day has been portrayed as a day of terrible trial. What is Judgment? We should all know. It has no terrors to those who know and who desire to know. It is the beautiful knowledge of the Soul's quest for freedom and right of way.

The Awakened Soul.

The Soul awakened knows its birthright, knows good from evil, false from true. There are no more terrors of the threshold when the soul awakens from its illusion and unfolds to Light and Wisdom.

Building of the Soul.

The mystery for the millions to know. They must know it for their own good. There is a right and wrong way to build a Soul. The architect knows his plan of work, so should the soul builder. Every one MUST become a soul builder in order to become immortal. Many are building upon the sand without any knowledge of the Rock of Truth.

Works and Faith.

Where faith is strongest our works are manifest. The true student demonstrates his faith by his works.

Understanding and Love.

Those who know Love understand all mysteries. Love is the Key to Wisdom, and Wisdom unlocks the door of Understanding.

Why it is necessary to make atonement. The meaning of atonement and its power.

Crucifixion.

The real crucifixion of Jesus. The occult meaning is different from all others in Soul Science.

The Passover.

There are very few who know the true meaning of the Passover. The mystery has been hidden deeper than all others. Soul Science gives the most satisfying proof that the Passover is a commandment which should be observed and kept to-day as rigidly as it was in the olden times.

Illumination.

This is in reality the Resurrection of the Christ. This comes after the Passover.

The Christ.

If we walk as He walked we shall become like Him, for "When He doth appear we shall be like Him for we shall see Him as He is." What is the Christ?

The Æth Healing.

John the Baptist taught the secrets and Laws of Mental or Mind Healing His works were followed by a greater. The Æth Healing is the Divine Healing as taught and demonstrated by Jesus. Many great works have been accomplished by the Mental or Mind Healers of this century, and they are John the Baptist or forerunner of a greater yet to come. The Æth instructions prove conclusively that it is the follower—the Christ, that John the Baptist said should increase while he decreased Why did John baptise with water? What is that Baptism? Was it of heaven or of men? Why did the works and teachings and baptism of Jesus come after? The full secret meaning of the baptism of Fire.

Gentlemen:—I have read the book "Christhood and Adeptship" through, and am very much delighted with it. It gives a good deal of light of the Scriptures, and some good advice to New Thought students, for I am one of them myself, and it is true, as Dr. Clymer says, that New Thought is of little value if we neglect to cultivate our Soul Power with the New Thought doctrines. Science and Religion must go hand in hand, otherwise we are apt to become selfish and miss much good.

**Their Teachings and Mysteries According To
the Manifestoes Issued at
Various Times By the Fraternity Itself.**

ALSO SOME OF THEIR SECRET TEACHINGS AND
THE MYSTERY OF THE ORDER EXPLAINED.

This Is the Only Work of Its Kind Published
In America. Second Edition.

This book is not only a history of the Order, or Fraternity out a complete Text Book; and as such contains much of their inner teachings, rights and mysteries.

This great work contains chapters on: Initiation; The First Steps To Be Taken; Soul's Climb to the Divine; Rosicrucian Symbols, the Rose, which from time immemorial has been the symbol of beauty and life, of love and pleasure, expressing in a mystical manner all the protestations of the Renaissance, and the Cross, the Winged Globe, which is one of the most beautiful and divine symbols of the Rosicrucians, and has many meanings; Rosicrucians and Free Masons; Rosicrucians, "The Mystery Explained," this being for the first-time given to the profane world; The Rosicrucian Manifestoes; The Discovery of the Fraternity of the Most Laudable Order of the Rosy Cross, their Jewels, Meaning, etc.

Is the Rosicrucian Fraternity old, and does it still exist? Listen to what P. B. Randolph has to say in his book, "Ravalette." "Many, but by no means all the Alchemists and Hermetic Philosophers were alcolytes of that vast Secret Brotherhood, which has thrived from the earliest ages, and under different names and in different lands, has performed, is still performing its mission. The members of the Mystic Union were Magi of old, who flourished in Chaldea (Mesopotania) ages before one of their number (Heber) left his native plains, and on foriegn soil founded the Hebraic confederation. They were the dreamers of the ages—the sun of the epochs—eclipsed occasionally, but anon bursting forth in glory again. They were the men who first discovered the significance of fire, and that there was some thing deeper than life in man."

To those interested in Rosicrucianism, its rites, mysteries, teachings, and its great and beautiful truths, this book will appeal as one of great value.

No student of the Occult or Mysticism can be without this work, and such as desire True Initiation will find herein that which they are seeking.

Many, very many, testimonials have been received, but on account of the peculiarness of the work hardly any can be used. One we just received we may give.

Dear Brother Clymer: I received on Saturday two books, "The Living Fire" and "The Rosicrucians." I cannot find easily the word that expresses my gladness at having two such very learned books in my collection. I want to read them at once. I am impatient that I must go over the books line for line. I am greedy to know it all at once. I am glad that I asked you to send them to me in leather cover. I have them on my desk, and the symbol and little word "Try" encourages me each time I look at it. Fraternally your Sister,

Abbie S. Pringle, New Jersey.

The second edition is 6x9 instead of 12 mo. It is on 80-lb. book paper, and beautifully bound in cloth. This work is revised up to the present day.

EXTRAORDINARY OFFER.—The first edition sold at \$3 in cloth and \$5 in leather. For a short time only we will sell the present edition at \$1.50 in beautiful cloth or \$2.50 in leather binding. Now is the time to buy this book.

EXTRACTS FROM PREFACE TO SECOND EDITION.

The first edition of the work was prepared in 1903 and issued in 1904, nearly six years ago. There is hardly a country in the world where it is not known, and even Kings have recommended it. Much in the book has been copied by others and *without a line of credit being given*. These authors forget that the book is copyrighted, and that if they wish to use any part of the book it is required that they shall, under the law, give credit to the author.

A question which is asked the author many times each week is regarding the TRUE Fraternity of Rosicrucians, or Order of the Rose Cross. These seekers set forth the fact that there are other movements, fellowships, etc., which claim to be Rosicrucian. To these I answer: Dr. P. B. Randolph brought Rosicrucianism to America, and established the Order about 1856. He taught all that belongs to Rosicrucianism as his books prove. He founded the Order or Fraternity in America, and taught many Neophytes concerning the mysteries of the Fraternity. Some of these became teachers. The line of succession has not been broken since he first founded the Order on American soil.

No attempt has been made to found another Rosicrucian Order or Fraternity by outsiders until within the last few years. Such as have attempted, or do attempt, to work any movement under the title of Rosicrucianisms, unless by direct authority of Dr. P. B. Randolph or his legal successors, are clearly illegal in EVERY respect.

There are laws to-day in practically every State in America which legalizes any Order or Fraternity which had been founded a certain number of years before the passage of such laws. As the Order or Fraternity founded by Dr. Randolph was in existence, and continuous at that, for more than sixty years, and since there is no other Order, Fraternity or Movement which can claim to be in existence even five years, it clearly follows that such Orders are illegal in every respect. Books, Copyrights and Papers held clearly prove this.

QUAINT, QUEER, CURIOUS BOOK.

This book contains also a sketch of the famous books known as the "Keys of Solomon the King" and the "Grand Grimore."

Translated from the French, it is justly considered one of the most famous of all occult literature.

It contains a philosophy which embodies weighty truths of world wide significance which cannot be found elsewhere.

It records a wonderful discourse upon the Secret Science between an exile, a deep student of the Mysteries of Life, and a Prince Gnome.

It contains many valuable notes elucidating the text.

Price 25 cents—one-sixth the price formerly charged for the English editions of this work. It is a work you should have.

William E. Towne, in June number of "The Nautilus," said: "The Irreconcilable Gnome" is a very-out-of-the-ordinary book and printed for the first time in English. It is translated from the French of Comte de Gabalis. The book relates in part an interview by Marshal de Schromberg with a Prince of the Gnomes. The scene of the adventure is laid in Ireland. The subject of their discourse was the Secret Science, and it covers some of the deepest and most subtle phases of life."

Contains the secrets of life and health which every husband and wife should know.

It teaches the scientific laws of parentage, and sacredly and reverently this knowledge is imparted in every detail.

It gives the fundamental principles of race improvement.

It is a work that no married couple should be without.

Price \$3.00.

An ounce of Mother is worth a pound of Clergy. Woman ahead of Man. Generation of more importance than Education. "Self-made man" a misnomer. Alexander the Great an example. Napoleon's mother. The secret of transmitting to your children any desired good, greatness or talent. Wm. F. Cody. Mary, Queen of Scots. A "Love Child." The three periods. James A. Garfield. Why criminals are born. Being born tired. Homely parents can have beautiful children—how? Drunkenness in parents and its result.

APPRECIATION.

Philadelphia, Pa., August 26th.

Dear Mrs. Berryman:—Have just returned from a trip to the mountains, and while there not only read but studied the "Art," and the convincing proof adduced us to adopt your ideas even at a great mutual sacrifice. Your work

seems plausible from beginning to end, and any married couple who are united under the holy bonds of wedlock on a moral as well as on a physical plane should be willing to adopt it if they can be made to realize that by following its teachings it conduces to the production of a baby that is superior in mental and physical characteristics, a living joy to its parents.

Yours sincerely,

S. E. T.

Dear Madam:—Package by mail received O. K. It certainly looks VERY GOOD to me, and I am glad I came across your advertisement.

Dear Friends:—Please accept my thanks for "Divine Magic" and "Divine Mystery." You are certainly starting a *New Epoch in Book Making* as far as the material and work is concerned, and as far as the *Contents it is Well Worthy the Clothing it appears in*, but I do not think that you are doing yourself justice in selling it at so low a price. The "Pistis Sophia" alone is worth more than that.

Yours sincerely, M. A.

Morton, 12, 3, 10.

Dear Doctor:—I have just finished "Divine Magic and Divine Mystery." Words fail me to do justice to such a grand and noble work. I was awed and deeply impressed at reading the mystery, and I, for one, will not fail to be better for reading it. I am deeply obliged to you doctor, for giving me the opportunity to read such a grand masterpiece.

Very sincerely,

Jos. G. Holmbar.

Africa, 21, 11, 1910.

Dear Brother:—I have to thank you most sincerely for the splendid work sent me. Never has the occult world possessed a book of that kind. It is by all means the shortest and plainest route whereby any occult student may travel and arrive at any haven he may desire in the astral and spiritual world.

Fraternally,

T. B. OmCole.

Dear Brother:—I have just finished reading "Grand Grimore," To do justice to the book and all concerned, I will say it is a complete work within itself, and any one who could not succeed with the knowledge it imparts would never succeed at all. However, the simplicity of this work is within itself a mystery.

Fraternally yours,

The great work, the "Grand Grimore," has come to hand, and am truly delighted with it. It seems that ever since possessing it, and while not as yet to any extent absorbing its contents, that already better vibrations on some phases are filling my life.

I am truly grateful,
