Feel free to distribute this book and change someone's life forever.

Saying these words 3 times a day, more if you like, along with the elimination of those words you do not desire to have manifested in your life, has the power to turn an ordinary life into an extraordinary life. It has the power to turn a extraordinary life into something more than you ever imagined. The more we say them the more they will grow and be a part of your life.

Discover for yourself... the POWER of WORDS. The Power of ONE Word.

Don't underestimate the size or simplicity of this book. The instructions are simple but the power they wield for good in your life is without price.

1. Read these words 3 times a day. More if you feel so inclined. The more the better.
2. Don't want to read them all? Don't want to experience them all? Choose which ones you want to experience.
3. Eliminate ALL words you do not want to be a condition in your life from your daily vocabulary in speech and thought and allow the magic to happen and keep happening.
4. **Enjoy a magical life.**

Words are creative.

Maybe you have some words you would like.... make your own list.

The power isn't just in the word.... but in the person saying it.

It TRULY is MAGICAL.

The words we speak become who we are and what we experience.
